5. In a joint account, all account holders are entitled to register, as users of 'JSCBNet', but transactions would be permitted based on the account operation rights recorded at the branch. (To begin with the services will be extended only to single or Joint accounts only).

Security:

1. The Branch where the customer maintains his/her account will assign:
 - a) User-id &
 - b) Password
2. The User-id and Password given by the branch must be replaced by Username and Password of customer's choice at the time of first log-on. This is mandatory.
3. Bank will make reasonable use of available technology to ensure security and to prevent unauthorised access to any of these services. The 'JSCBNet service is a secure site. It means that
 - You are dealing with JSCB at that moment.
 - The two-way communication is secured with 128-bit SSL encryption technology, which ensures the confidentiality of the data during transmission.
4. You are welcome to access 'JSCBNet' from anywhere anytime. However, as a matter of precaution, customers may avoid using PCs with public access.
5. There is no way to retrieve a password from the system. Therefore if a customer forgets his/her password, he/she must approach the branch for re-registration.

Bank's terms:

1. All requests received from customers are logged for backend fulfilment and are effective from the time they are recorded at the branch.
2. Rules and regulations applicable to normal banking transactions in India will be applicable mutatis mutandis for the transactions executed through this site.

Customer's obligations:

1. The customer has an obligation to maintain secrecy in regard to Username & Password registered with the Bank. The bank presupposes that login using valid Username and Password is a valid session initiated by none other than the customer.
2. Transaction executed through a valid session will be construed by JSCB to have emanated from the registered customer and will be binding on him/her.
3. The customer will not attempt or permit others to attempt accessing the 'JSCBNet' through any unlawful means.

Do's & Don'ts:

1. The customer should keep his/her User ID and password strictly confidential and should not divulge the same to any other person. Any loss sustained by the customer due to non-compliance of this condition will be at his/her own risk and responsibility and the Bank will not be liable for the same in any manner.
2. The customer is free to choose a password of his/her own for JSCBNet services. As a precaution a password that is generic in nature, guessable or inferable personal data such as name, address, telephone number, driving license, date of birth etc. is best avoided. Similarly it is a good practice to commit the password to memory rather than writing it down somewhere.
3. It may not be safe to leave the computer unattended during a valid session. This might give access to your account information to others.

I affirm, confirm and undertake that I have read and understood the above mentioned Terms and Conditions for usage of the 'JSCBNet Services' and that I agree on my own behalf, or as the mandate holder on behalf of the joint account holders, and will adhere to all the terms/conditions of availing the JSCBNet Services as may be in force from time to time.
